

HOPE THE NATIONS

Information and Sponsor Form

Fundraiser: The 5K RACC Race and ½ Mile Kids Race

PURPOSE:

To raise funds for the \$16,000 needed as a down payment for repair of the façade of our building. This 15,000 square foot commercial building in Reading's oldest historic district is one of the few Art Deco buildings that remain. The highest row of large, concrete pieces is precariously leaning on the lower row. Several pieces have already fallen and more have been removed to ensure public safety. The total cost of the project is \$80,000. The City of Reading and The Historic Preservation Board are requiring action to be taken as quickly as possible.
